

GIRONA FAIRS AND MARKETS ALL YEAR ROUND

Girona is home to a broad array of street markets and fairs,

adding to the attractions for many visitors and turning the city into an active place brimming over with life.

Its streets and squares serve as venues for exhibitions of art, craftwork, painting, flowers, food, antiques and more...

They are the ideal complement for enhancing a relaxed stroll around the city centre, a busy day's shopping, or a trip round the Old Quarter's tourist attractions and monuments.

There are a lot of fairs and markets held here all year round.

Make time during your stay to enjoy them!
